  [IT Life – How to deal with pressure as a software engineer](#)
  by Ravikiran Kada
  We usually see a lot of software engineers talk about how much pressure they have in their projects and how their clients or bosses pressurize them to get their task done. In this post we will discuss from both managers, as well as from the software engineers perspective. Pressure for a software engineerâ€¦ [Read more: IT Life – How to deal with pressure as a software engineer](#)

  [IT Life – Learn to code Effectively](#)
  by Ravikiran Kada
  The disclaimer for this post is, if you think I would be suggesting some website or author who will teach you how to code and you will be a perfect developer within a few days, then youâ€™ll be disappointed. I would request you to read the entire post to get the whole pictureâ€¦ [Read more : IT Life – Learn to code Effectively](#)

  [IT Life – How to learn a language quickly](#)
  by Ravikiran Kada
  Introduction No one can deny the fact that technology is moving forward at a very fast pace. If you cannot adapt to the moving trends you will be considered as outdated. There are numerous examples of it. For Example Nokia, CEO of Nokia stated back in 2014 when Microsoft acquired Nokia "We didn'tâ€¦ [Read more: IT Life – How to learn a language quickly](#)

[IT Life – All About T-Factor](#)
by Ravikiran Kada
Initially I came across this term T-Factor when I went to an interview scheduled with one of the top Multinational Companies. Before conducting the interview, one of their senior managers told all the candidates that they are looking for a candidate having strong technical knowledge as well as who are willing to learnâ€¦ [Read more: IT Life – All About T-Factor](#)
